 Don't take chances when it comes to your health; At Stacy you can depend upon quality pharmaceuticals from the world's finest laboratories. Each prescription brought to Stacy is carefully compounded to the highest standards. Be sure! Fill your prescriptions at Stacy!

R. L. GUERIN JR. . . . BMW sales manager

BMW Company Names Guerin Sales Manager

The appointment of Roland Louis Guerin, Jr. as sales manager for BMW Manufacturing Co., Inc., industrial metal fabricators and tool manufacturers, was announced by Robert D. Moudy, company president. Mr. Guerin will be in charge of marketing and sales for BMW, designers and manufacturers of all types of heavy and light metal fabrications, grinding and support equipment, special machinery, large jigs and fixtures, and matched molds or dies. Mr. Guerin's appointment is in keeping with the continuous expansion of the company's activities in the aircraft-missile and commercial fields. He has previously been associated as sales manager for the Clearing and Western Design Division of U. S. Industries and director of special products with The Hufford Corp. Prior to joining the above firms, Mr. Guerin was technical service staff member with the Aircraft Industries Assn., and was associated with Lockheed Aircraft, Bell Aircraft and Twin Coach Co. in various engineering capacities. During World War II and the Korean conflict he was a pilot and engineering administrator with the U. S. Air Force. A member of the Institute of Aeronautical Science, Mr. Guerin is a graduate of St. Louis University. His home is in Sherman Oaks, Calif.

Manuscripters Hear Playwrite

"Making a Living as a Playwrite" was the subject of Leonard Freeman, guest speaker of the Southwest Manuscripters recently. "There is no blueprint for success in writing," Mr. Freeman said. With a background that includes over ten years of writing, producing and directing for major studios, (including his present position with Warner Brothers Studios), five nominations for the television "Emmy" and a past presidency of the Writers' Guild, he advised his audience, "The only common denominator among successful playwrights is — they all write and they all work hard at writing."

MANVILLE Chapman, president, announced the formation of three additional workshops for novels, short stories, and plays. Ramoncita O'Connor announced the beginning of the new semester for her Creative Writing classes will be on Monday, Sept. 12, at Redondo Union High School (Adult Education) at 9:30 a.m. and at Mira Costa High School at 7 p.m.

Southwest Manuscript members reporting sales during the past month were Ramoncita O'Connor — a juvenile story to National Education Association Syndicate, Manville Chapman — a short story to Best-seller Mystery Magazine, Dorothy Boesch — article "Do It Yourself - Haitian Style" to Christian Science Monitor and Warren and Barbara Transue — article "Religion With a Nall" to The Victorin Magazine and a poem, "Beagle Boy" to Our Dumb Animals Magazine. Three members — Ross Pointer, Redondo Beach, Lou Harney, Manhattan Beach and Barbara Transue, Los Angeles — were among the winners of the Writer's Digest annual short story contest.

THE NEXT meeting of the Southwest Manuscripters will be Sept. 16, 8 p.m. at Clare Stadium, Hermosa Beach. All beginner and professional writers are invited.
